REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

For nearly 50 years, Kensington Elementary School has been a pillar in Georgetown County. The school's vast instructional programs have garnered several academic awards over the years, including being named Palmetto's Finest. Today, we continue to uphold our mission and vision; leaving no child behind and providing optimal learning experiences in a safe and nurturing learning environment that is rooted in exemplary teaching.

We firmly believe that "Together We Can Build the Brightest Future" at Kensington Elementary School. Our partnerships with the Georgetown Kraft Credit Union, the South Carolina Federal Credit Union, the Pawleys Island Kiwanis Club, and the Georgetown Rotary Club continue to help us achieve our goals through their active involvement in our academic programs. Our outstanding Parent Teacher Association and School Improvement Council equally support our vision.

Our 2007-08 Academic Fair Team represented us well in this district competition. We have many students who are shining examples of tomorrow's leaders, and as a result, many of our fifth graders were invited to be a part of the World Leadership Conference in Washington, DC. One of our fifth grade students won the district's Lt. Governor's Writing Contest. Two of our students placed in a local Black History Writing Contest. We have also had several students to win local and state art competitions. In the community, our students participate in many athletic events and have excelled. Kensington Elementary was a pilot school for Response to Intervention. We are pleased with the progress that we've made through the collaborative efforts of our learning specialist, school psychologist, and teachers. Our students are reaping the benefits of this instructional process that is aligned with educational best practices and current research.

The mission of Kensington Elementary School is to help all children achieve their maximum potential...and daily we exemplify this in our interactions with our diverse student population. We are truly a community school. After all, it takes a village to raise a child!
